**FACULTY POSITION
ANNOUNCEMENT**

Posting Number: # FAC201

Posting Date: 07/03/2017

POSITION: Diagnostic Medical Sonography - Credential Code: #500023

Part-time Unlimited (50%)

RESPONSIBILITIES:

- Teach college level courses
- Participate in student assessment and departmental meetings
- Participate in the larger college community through a variety of activities (curriculum development, service on committees, etc.)
- Develop curriculum
- Be student centered, enthusiastic about teaching and learning, be a practitioner of active, contextual, and experiential learning strategies, have an understanding of and commitment to the assessment of student academic achievement, be willing to explore and use a variety of technologies to enhance teaching and student learning.

**MINIMUM
QUALIFICATIONS:**

- Must meet minimum qualifications for faculty credentialing (please refer to the MNSCU Credentialing Website at: <http://www.cfc.mnscu.edu/>)

Education Requirement

- Associate's degree in sonography

Occupational Experience Requirement

- Two full-time years (or equivalent) of verified related paid clinical work experience as a diagnostic medical sonographer (abdomen, obstetric, gynecologic, superficial parts).

Recency Requirement

- One year of this work experience shall be within the five years immediately preceding the date of application for the credential field. The recency requirement shall be waived if the individual has two years of successful full-time (or equivalent) postsecondary teaching experience in the credential field within the last five years.

Professional Requirement

- National certification by the American Registry for Diagnostic medical Sonography (ARDMS).

PREFERRED**QUALIFICATIONS:**

- Bachelor's Degree or higher
- Cardiopulmonary resuscitation (CPR) certification for all, RDMS for all sonographers

APPLICATION PROCEDURE:

Submit your online application and supporting information to:

<http://www.sctcc.edu/employment-opportunities>. A cover letter that addresses how previous experience can be used to accomplish the position requirements, resume, a list of five professional references with contact information, and transcript copies will be required as part of the application process. Review of resumes will begin July 24, 2017.

Position will remain open until filled. A screening committee interview, including a teaching demonstration will be required.

Women and people of diverse racial, ethnic, and cultural backgrounds and people with disabilities are encouraged to apply. St. Cloud Technical and Community College is an Equal Opportunity Educator and Employer/ADA Accessible Facility. St. Cloud Technical and Community College is a member of the Minnesota State Colleges & Universities System.
