Mark your
calendars!

MSDU 34th Annual
Spring Seminar

March 28th – 30th 2014

Marriott Inn, Brooklyn
Park, MN

Its official we are now known as the "MIDWEST SOCIETY OF DIAGNOSTIC ULTRASOUND". Our Society has grown, more and more of our members and seminar attendees are from outside the state of Minnesota and throughout the Midwest region of North and South Dakota, Wisconsin, and Iowa. The MSDU Board after long hours of hard work unanimously voted to change our current society name to Midwest Society of Diagnostic Ultrasound. Our Society initials will remain MSDU.

The new logo, seen above, will be used as a symbol of the group. We felt that it reflected all specialized areas of ultrasound, truly bringing us together as one profession.

The purpose of the Society is to provide quality education for sonographers and physicians and therefore raise the standard of current ultrasound practices/departments. This will allow members from outside the state of Minnesota to serve as Board Members. It will also help us to combine our resources, keep seminar costs down, bring in fresh ideas, involve more students and continue our efforts to provide quality programs for a larger medical community.

Member registration is now open.... What are you waiting for?

BRRRRR.....Winter is here and so are the holidays. Rushing here, rushing there makes all of us so busy this time of year. With winter comes the New Year and then **Spring**. Even though March seems so far away it will come quick. The Annual MSDU Spring Seminar will be right around the corner before we know it. Register early for special price breaks. (Early bird registrations end 2-26-2014) Besides our newly redesigned name and updated MSDU website the excitement of new and returning speakers fill the air. We have invited Merri Bremer from Mayo to speak in multiple track as well as returning

speakers Mani Montezemi and Patrick Washko. The seminar will include four full tracks of speakers this year. OB, Cardiac, Vascular & General as well as a wine and cheese reception Saturday night. Door prizes, and so much more.

All MSDU members don't forget to renew your MSDU membership now so membership prices apply. Membership renewal is available at www.MSDU.org.

On behalf of the Midwest Society of Diagnostic Ultrasound Board of Directors we would like to wish all of you a very special holiday season and a Happy New Year.

If you have a topic you would like to submit for the newsletter please email Chris Walski at ChrisWalski@msdu.org
