36th Annual MSDU Spring Seminar

Friday, April 1st - Sunday, April 3rd, 2016

By: Sandy Mozey, RDCS, MSDU President

The time has arrived for our Annual Spring Seminar, April 1st-3rd, 2016 @ The Marriott Northwest!

We are so excited to welcome all of you to visit our website and download the brochure outlining all that our meeting has to offer. We offer great speakers from all over the country, teaching us their knowledge and expertise in the area of our four specific tracks OB, Cardiac, Vascular and General. A few of our speakers will be speaking between tracks so more of our attendees can benefit from shared knowledge. The day and a half meeting offers up to 14 CME credits, lunch, snacks throughout the day, and product giveaways for all registered attendees. This is also the perfect time to enjoy networking with other sonographers in the surrounding area. An evening reception of wine and cheese with door prizes and a DJ completes Saturday's events.

Please check out the variety of live scan labs and the new "Vascular Hot Topics" session that are scheduled for Friday, April 1st at 7:00pm. This provides an excellent opportunity to improve your hands-on skills and view the latest and greatest improvements on a variety of equipment. Sign up early for the scan labs as space is limited and filling up fast!

Go click [here](#) to find more information and pricing for the weekend. The sooner you register, the more you SAVE!! *We can't wait to see all of you there!!*
