## SPRING SEMINAR REMINDERS

**March 22<sup>nd</sup> - 24<sup>th</sup>, 2013**

Jane J.K. Burns, AS, RT, RDMS, MSDU President

The time for our Spring Seminar is quickly approaching. I would like to invite everyone to please visit our website and check out our online brochure to review the lecture schedules for our three concurrent Tracks and the list of our Faculty. We have once again been able to attract nationally-known speakers for each of our Tracks. I encourage you to sign up early to reserve your seat for this excellent program.

A wide variety of topics will be covered in General, Cardiac and Vascular. PLUS.....this year we have added a **NEW OB Track on Sunday**. Our hope is to expand this into a fourth Track for next year; with the intention to have GYN added to the OB Track in 2014.

Please check out the variety of scan sessions that are scheduled for Friday evening, March 22<sup>nd</sup> at 7 pm. This provides an excellent opportunity to improve your hands-on skills and view the latest and greatest improvements on a variety of equipment. Sign up early for the Scan Sessions as space is limited and they are filling up fast. Just follow the online prompts for Seminar registration and reserve your spot today.

Also remember to make your hotel reservations before March 1<sup>st</sup> to enjoy our guaranteed group room rate.

Marriott Inn  
(Formerly the Northland Inn)  
Brooklyn Park, MN  
763-536-8300

Hotel rooms will go back to the regular rate after that date. So sign up early to enjoy the most savings.

**HOPE TO SEE  
EVERYONE IN MARCH!**

## FREE TUITION WINNERS

I would like to take this opportunity to announce the two free tuition winners for our upcoming MSDU Spring Seminar. Our active member winner is **Daniel Berg** and our student winner is **Laura McFadden**. Congratulations!!!

Daniel and Laura were automatically entered into the tuition drawing by completing their membership renewal by December 30<sup>th</sup>, 2012. Membership renewals begin in October, so sign up early and you could be next year's winner!!
