## 34<sup>rd</sup> Annual Spring Seminar March 28<sup>th</sup> – 30<sup>th</sup> 2014

Sandy Mozey, RDCS, MSDU Co-President

The time has arrived for our Annual Spring Meeting. I use the term *Spring* lightly, especially with the weather being the way it's been.

We are so excited to welcome all of you to visit our website and download the brochure outlining all that our meeting has to offer. We offer great speakers from all over the country, teaching us their knowledge and expertise in the area of our four specific tracks OB, Cardiac, Vascular and General. A few of our speakers will be speaking between tracks so more of our attendees can benefit from shared knowledge. The day and a half meeting offers 10+ CME credits, goodie bags for all registered

attendees along with a day to enjoy networking with other sonographers in the region. An evening reception of wine and cheese with door prizes completes Saturday's events.

Please check out the variety of scan sessions that are scheduled for Friday, March 28<sup>th</sup> at 7:00pm. This provides an excellent opportunity to improve your hands-on skills and view the latest and greatest improvements on a variety of equipment. Sign up early for the scan labs as space is limited and filling up fast.

Go to [www.MSDU.org](http://www.MSDU.org) and follow the online prompts for meeting registration.
