All Allina Health employees can participate in the **Dollars for Doers Program**, which will provide charitable contributions to nonprofit organizations on their behalf. For every 20 hours of volunteer time, Allina Health will make a \$100 contribution to the eligible nonprofit organization of the employee's choice.

So far this year the MSDU has been the thankful recipient of this contribution by the following employees:

- Laura Johnson
- Jane Burns
- Delaine Bedessem
- Kathy Oswell

This money benefits all MSDU members and Spring Seminar attendees, and helps to keep our prices some of the lowest in the nation!

Can we add **your** name to this list in the future? ☺
